

2012 ACA WWOCD National Championships
KAYAK ONLY REGISTRATION FORM (please print; one form per competitor)

For the Open Canoe registration form, go to www.fbcanoeracing.org/nationalsentryform.pdf

These National Championships are designed for open canoes. However, the race organization, permits, timing and safety systems serve just as well for kayaks as they do for canoes, so kayaks are welcome to join the fun. The kayak classes will not be national championship races and the specific classes won't be determined until the time of the race itself depending on who shows up and what boats they bring!! If you have questions, e-mail fbracechair@earthlink.net
